July 2007

Volume 7, Issue 7

## From Your President Molly Rucinski

Can you believe it? The Water Carnival is finally here! As you are reading this, Merriam's is setting up the carnival rides, the food concessions are setting up, and the Bemidji Jaycees are working hard at bringing laughter and joy to the thousands of people who are down at the water front!

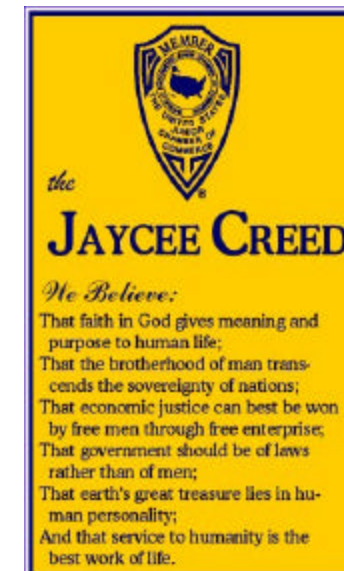

I would like to extend my personal thanks to Karen Gannetta, Crystal Hegg and the entire Water Carnival Committee for all the hard work they've put into this year's event. There are many new activities this year, as well as many of the old favorites. I know that that Karen and Crystal still need plenty of help, so please call them to see where your help is needed.

As an added bonus from your president, if you come down to the water front to help out and are able to tell me the password sunbeam, your name will be entered in the drawing for a \$25 gift certificate from the Green Mill. But remember, you have to tell me that you saw the password in this month's newsletter. All entries must be in by July 4.

Thank you to all the Jaycees who have worked hard this year. I am so proud of our success thus far. There is only a few months left of 2007 and the time is flying by. Remember that today is the day for you to make the difference.

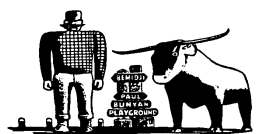

In Jaycee Spirit,  
Molly Rucinski
