## presidential musings

Hello Jaycees!

The year is off to a good start, and the first quarter is already over. In the upcoming months we have several projects like Pitch, Hit, and Run; Sandbox Fill; and of course the Water Carnival, which will be taking place in a new location! I encourage members that are interested in any of the upcoming events to contact myself or the chair person and come help out.

Spring convention is also coming up May 8th-10th at Arrowwood Resort in Alexandria. At annual convention, the Bemidji Jaycees took home an array of awards and I would love to see that happen again at spring all state!

I look forward to seeing everyone at the upcoming events!

## MEMBERSHIP DEVELOPMENT

Hello Bemidji Jaycees! I hope everyone is taking advantage of the warmer weather and longer days, hopefully this means, spring has sprung! This also means lots of great activities coming up so be on the look out for things to attend. More activities mean more opportunities to bring prospective members along with to check our awesome organization out! If you know someone between the ages of 18-40, please share us with him or her! If you need help on how to approach this topic, ideas on possible booths or any other questions, please feel free to call or email me.

The 2015 Pitch, Hit, and Run competition is almost upon us. Our tentative date is May 16, however, that could change as field availability becomes known. We are always looking for manpower at these events, so be sure to mark it on your calendars and plan to attend. And if you have any kids in your family that you think would like to participate, be sure to encourage them to register!

## WE BELIEVE:

That faith in God gives meaning  
and purpose to human life;

That the brotherhood of man tran-  
scends the sovereignty of nations;

That economic justice can best  
be won by free men through free  
enterprise;

That government should be of  
laws rather than men;

That earth's greatest treasure lies  
in human personality;

And that service to humanity is  
the best work of life.
