This year, the Bemidji Community Food Shelf & Northwood's Habitat for Humanity were chosen to receive the funds raised from the 2019 Brrrmidji Plunge, which will take place on Lake Bemidji on Saturday, January 19, 2019. Registration will run from 10:00am – 11:45am, and the jump will begin at 12:00pm.

If you are not planning on attending Annual Convention, please consider helping out on this project. This event is running in conjunction with Hockey Day MN, and we moved the jump time to noon, so that it can run in between the hockey games scheduled that day. This is an exciting opportunity to see our event grow, as there will be a lot of people around to experience or watch the plunge, and there will likely be television coverage of our event as well.

We will be putting up fencing on the ice on Saturday, January 12th, to try and get our spot marked off before all the ice houses come in for Hockey Day MN. We will tentatively begin at 10:00am, but that time may change because we're doing it the same time Hockey Day MN is going to be clearing & marking ice for pond hockey. If you cannot attend the day of the event, please come help fence our area. Any help will be greatly appreciated!!

Thank you!

Amber Hynes
