From the President

Hello fellow Jaycees!!

I'd like to take a moment to thank all of you for helping make the Bemidji Jaycees the #1 Chapter at Fall All State Convention. It would not have been possible without all of our members helping make our events and chapter a success. We celebrated many awards and accomplishments.

When I originally joined the chapter in 2001, I never expected to become Chapter President. I will say that I have had many mentors along the way that believed in me and helped me to where I am today. I want to encourage each of you to set goals, work towards achieving them and never forget that you are not alone. You can achieve your dreams, all it takes is hard work and dedication. Our chapter goals can become reality, we need everyone to help through the last few months of the year to meet those goals. We'd love to have you join us at meetings or upcoming projects.

I am very honored to be a part of the Bemidji Jaycees and the accomplishments we have had. I would like to encourage everyone to invite friends and family to join our organization. We have so many new and exciting projects coming yet this year. Let's keep that momentum and keep going strong the last few months of the year.

In Jaycee Spirit,

Becky Kummet

86th President Bemidji Jaycees 2018

Greetings Fellow Jaycees!

We just want to thank everyone who helped in any capacity with the Project Lifesaver Pancake feed! It was a really fun event that got quite a few people to the Bunkhouse!

With the help of Stittsworth's Meats, The Northbird Foundation, and The Bunkhouse, and we were able to raise over \$900 which stays in our community to help bring our loved ones home.

If you would like more information you can go to www.projectlifesaver.org or call Deputy Hinners at the Beltrami County Sheriff's office

Thank you again for taking your time to come help with this project.

Brad Fisher Taylor Kummet-Hiltz Aliza Thoring Tis the season! To be thinking Christmas! We are less than two months away from the most wonderful time of year, and the Bemidji Jaycees are about to make this the biggest and best yet for the city of Bemidji.

The First City of Lights is well underway, and we are working on illuminating the city of Bemidji once again. This year our display will feature an array of colored lights, and festive decorations, with a very large new addition to be announced in the next few weeks

We need Jaycee members and volunteers to help with this very large project to make it a success. If you are interested please join the First City of Lights committee and attend our meetings throughout the month of October and weekly in November.

We have many areas that we need help with such as the Night We Light Parade, Santa's Workshop, Night We Light Ceremony, First City of Lights Tour of Homes, and the Window Display Contest.

If you are interested in helping give Bemidji the biggest Christmas gift ever, please message Josh Peterson, jpeterson@lptv.org

Thanks & Merry Christmas! Josh Peterson
