6:00pm

**Tuesday, April 18**

Jaycee General Membership Meeting  
6:30pm

**Tuesday, May 2**

Board of Directors Meeting  
6:00pm

Hello fellow Jaycees,

We are mid way through March and already it has been an incredible year. To recap, The New Years Bash was a smash success! It was great to see Bemidji bring home so many awards and top honors at Annual Convention. We plunged into February with our Brrrrmidji Plunge and was one of the highlights of this years Winterfest. None of that success would have been possible if it wasn't for our amazing project chairmen, and activating our membership to help with support during our events.

As we look towards summer, we have our 73rd Annual Water Carnival coming up and we will need every members help in making this carnival a success. With this years carnival having two locations we need to staff both locations. So make a note on your calendar June 29 - July 4. Its always a great time and we would love to have every member join us in the celebration!

We need to capitalize on this opportunity, and recruit effectively. It is times like this when people are more aware of who we are and what we do, that we need to bring those people into our family and use times like this to capitalize on the buzz and get people involved who share our vision.

We have a busy year ahead, already Home Sport & Travel Show is just around the corner. I hope to see everyone there helping out and sharing our message with the community.

I am so proud to be your President and together we will not only grow our organization, but become the shining light of Bemidji.
